

**Xin Wen (Ch. 文欣 )** is an assistant professor of East Asian Studies and History in Princeton University. He received a PhD in Inner Asian and Altaic Studies from Harvard University in 2017. Xin Wen is a historian of medieval China and Inner Asia. His work goes beyond the dynastic units of Tang (618–907) and Song (960–1279), and situates “China” in the connected world of Eurasia.
